

Professional Summary

Detail-oriented administrative professional with a strong background in operations, data management, and process optimization. Committed to leveraging data to drive informed decision-making, I have strong skills in Excel, including data analysis, queries, and pivot tables, and am currently expanding my expertise in Power BI for data visualization. I also have experience with MySQL and SQL for database management and a foundational understanding of Python for data processing. Seeking a role that integrates administrative expertise with data analysis to improve efficiency and support business insights.

Key Skills

Report Generation & Data Analysis (Excel, Power BI)	Team Leadership & Performance Management
Data Visualization & Dashboard Creation (Power BI)	Customer Service & Conflict Resolution
SQL & Database Management (MySQL, SQL)	Project Coordination & Process Improvement
Data Cleaning & Processing (Excel, Python - Basic)	Executive & Administrative Support
Technical Support & Systems Administration	Calendar & Travel Management
Workflow Optimization & Automation	Event Planning & Coordination

Professional Experience

Team Leader / Resolutions Agent / Sales & Service Support | IKEA, Montréal | October 2019 – December 2022

- Led and developed a team of 11-15 employees, coaching on customer service, sales techniques, and call handling.
- Managed schedules, performance tracking, and training initiatives, leading to a 60% promotion rate among team members.
- Provided technical support for remote employees using Teams, VPN, Citrix, and other enterprise software.
- Created and analyzed reports on staff performance using Excel (queries), Power BI, and PowerPoint.
- Implemented process improvements, including redesigning training workflows and employee recognition programs using Excel & SQL.
- Promoted twice within 7 months, from Sales & Support to Resolutions, then to Team Leader.

Independent Artist | Montréal / Calgary | 2012 – 2019 (Full-time) | 2019 – Present (Part-time)

- Managed all aspects of an independent arts practice, including financial planning, budgeting, and business operations.
- Coordinated large-scale exhibitions, installations, and sales, working with galleries, collectors, and clients.
- Developed and maintained a POS system for sales and invoicing via cash, credit, and e-transfer.
- Provided technical support and mentorship to other artists on installation, documentation, and digital tools.
- Applied for and managed grants, residencies, and funding proposals, securing financial support for projects.
- Designed and programmed a website for gallery promotion and online sales.

Supervisor / Floor Support / Agent | Teleperformance, Montréal | February 2019 – September 2019

- Managed a team of 13-18 employees, overseeing performance tracking, coaching, and issue resolution.
- Provided direct support for 30+ agents, handling escalated cases and clarifying policies and procedures.
- Promoted twice within 3 months, from Agent to Floor Support, then to Supervisor.

Property Administrator | Colliers International, Calgary | 2007 – 2009

- Assisted in file migration to Yardi and prepared monthly and annual financial reports.
- Coordinated lease execution and maintenance with tenants, property managers, and owners.
- Provided executive administrative support to the management team.

Divisional Secretary (Contract Placement) | City of Calgary | 2006

- Supported department executives with research, document preparation, and presentations.
- Provided relief executive assistance to the Director of the Assessment department.

Project Improvement Coordinator (Contract Placement) | Service Intelligence, Calgary | 2004 – 2005

- Assisted the VP of Client Services with process development and client performance reports.
- Acted as executive assistant, handling scheduling, reporting, and documentation.

Independent Artist / Gallery & Art Sale Coordinator | Various Locations, Montréal & Calgary | 2010 – Present

- Managed financial planning, budgeting, and event coordination for exhibitions and sales.
- Developed digital solutions, including website programming and electronic submission systems.
- Conducted grant writing, reporting, and fundraising initiatives.

Education

Attestation de Formation Technique (AFT), Front-End Web Development | John Abbott College | 2024

Bachelor of Fine Arts (BFA), with Distinction | Alberta College of Art and Design | 2012

Mobility Exchange Semester | Memphis College of Art and Design | 2009

Select Volunteer Service

- Vice President, MFASASA (Master of Fine Arts Student Association) – Budgeting & financial planning.
- Event Coordinator & Curator – Organized exhibitions, panel discussions, and fundraising events.
- Speaker & Panelist – Discussed professional practices and arts administration topics.
